Command Master Chief's Corner

Tidehawks,

Happy Veteran's Day! Our Color Guard Teams performed at 11 different events this week supporting Veteran Day assemblies throughout the school district. There's just something special about going to an elementary school and listening to the little ones sign the national anthem and recite the pledge of allegiance. Great job to all the cadets who took time out of their busy schedules to support these worthwhile events.

The Annual Military Inspection (AMI) RSVP has been sent out to all Tidehawks today. Please take a couple of minutes to let us know if you can make it. It will help us plan the event. I will send out more precise information as we get closer to the date.

JROTC Leadership and Academic Bowl (JLAB) teams are competing in round 1 of the national competition. The top 50% will advance to round 2. Team A will compete on Wednesday after the staff meeting. Team B will compete on Friday after school. Good luck to all of our competitors.

Finally, thank you to the cadets who volunteered for the Tacoma Narrows Airport Veterans' Day Luncheon. We had more cadets wanting to volunteer than we had available positions. Your dedication to our community is noticed and commendable. BZ!

Enjoy your weekend!!
