## Command Master Chief's Corner

Tidehawks,

Our busiest week of the year is upon us. Veteran's Day week is filled with color guards, assemblies and events to honor the contributions of our men and women in uniform. This year, we will volunteer our services at the Tacoma Narrows Airport Veterans Day Luncheon. The theme is about the Vietnam War and we have an amazing guest speaker scheduled to tell us about his story. At GHHS, we will support the Veterans Day assembly with a color guard in full dress uniform. At PHS, the assembly's theme will be about the "oath" that every service member takes prior to entering in the service of our country. We are lucky to have some veterans on hand to tell us what the oath means to them and how they felt when they raised their right hand and gave it. To make the connection from a veteran to a high school student, one of our very own cadets, Dan Brooks will give the oath of enlistment at the PHS Veteran's Day Assembly in front of 1,400 of his classmates.

### **Congratulations to Dan Brooks for enlisting in the United States Marine Corps!**

My Father served in the United States Marine Corps during the Vietnam War and I remember growing up in a household with Marine Corps values. The Marines just have a special way of communicating that makes everything crystal clear! :) This is a big moment for the Brooks family and we are excited Dan is joining a service with such a rich history and tradition. Congratulations again, and we wish you all the best.

To all of the Tidehawks who have veterans in their families, we say "Thank you for your service!" Have a wonderful weekend!!
